## Burial Register Entries

The following is a list of burials from the St Thomas à Becket burial registers (1700-) where the entry is explicit is stating that the burial was at St Mary Magdalen. There is also an entry from 1662 from a memorial within the chapel and an entry for which there is a memorial in the churchyard but the register doesn't state explicitly that the burial was at the chapel. Burial register entry numbers (column BR) are only present from 1813.
