

Sections 8 & 9

Sections 8 and 9 form a single block with the divisions between the two sections not apparent. There are 22 rows groups in pairs. All graves face East. On the western border is a laurel hedge. The southern border is the stone wall that is part of the cemetery's boundary. The eastern border is a wooden fence which consists of three horizontal pieces of wood which, in October 2008, could be seen to be damaged in a few places.
